

AWARD NOMINATIONS

The NYSSPE Nominating Committee is seeking nominations for the following awards, which will be presented at the NYSSPE Annual Meeting in June.

ENGINEER OF THE YEAR

To recognize a professional engineer who has made an outstanding contribution to the goals of the Society of Professional Engineers by means of educational, collegiate and engineering achievements; professional society, technical society, civic and humanitarian activities; and displayed continuing competence.

YOUNG ENGINEER OF THE YEAR

To recognize a professional engineer or intern engineer 35 years of age or less who has made an outstanding contribution to the goals of the Society of Professional Engineers by means of educational, collegiate and engineering achievements; professional society, technical society, civic and humanitarian activities; and displayed continuing competence.

CITIZEN OF THE YEAR

To recognize a non-engineer who has made an outstanding contribution related to the goals of the engineering profession or to the Society of Professional Engineers.

OUTSTANDING PROFESSIONAL ENGINEER IN MANAGEMENT

To recognize a professional engineer who has made an outstanding contribution to the goals of the engineering profession and the Society of Professional Engineers through his or her demonstrated managerial ability and achievement.

HONOREE FOR CONTRIBUTION IN THE FIELD OF EDUCATION

To recognize an individual whose activities or contributions in the field of Education have broad and lasting effects on the goals of the engineering profession or the Society of Professional Engineers.

MERITORIOUS SERVICE

To recognize a professional engineer who has made an outstanding contribution to the goals of the Society of Professional Engineers over an extended period of time.

OUTSTANDING ENGINEERING ACHIEVEMENT AWARD

To acknowledge accomplishments of the engineering profession by recognizing outstanding engineering achievements that have captured the innovative and dynamic spirit of a profession dedicated to public service. See enclosed award description.

GOVERNMENT ENGINEER OF THE YEAR - Contact: Louise Doyle, PE; lld7@westchestergov.com

The nomination for Government Engineer of the Year is to recognize a professional engineer in Government who has made an outstanding contribution to the goals of the Society of Professional Engineers as well as the engineering profession by means of education, collegiate and engineering achievements; professional society, technical society, civic and humanitarian activities; and displayed continuing competence.

INDUSTRY PROFESSIONAL DEVELOPMENT AWARD – Contact: James Shurtleff, PE; jamesshurt@aol.com

The New York State Society of Professional Engineers (NYSSPE) Industry Professional Development Award (IPDA) is presented to the nominated industrial employer of engineers that has made outstanding contributions to the advancement and improvement of the engineering profession through its employment policies. The purpose of the award is to recognize those companies with the best record of engineering employment practices, and to encourage all companies to adopt similar progressive polices and practices
